

CIRO CAMERA/GPS MOUNT

Parts Included:

Camera Kit 50124:

- 1 Camera Plate
- 1 Ball Mount Adapter
- 1 Locking Collet Nut
- 1 M5x.8 Locknut
- 1 M5x.8 x 20mm Bolt
- 1 Camera Stud
- 1 Camera Stud Retaining Ring

GoPro Kit 50123:

- 1 Adapter for GoPro camera
- 1 Locking Collet Nut
- 1 M5x.8 Locknut
- 1 M5x.8 x 20mm Bolt

Installation Instructions:

1. Place the M5 locknut into the recessed area of the ball mount adapter.

2. Holding the nut in place, slide the fingers of the camera/gps mounting plate or GoPro into those of the ball mount adapter. Use the M5 locknut and bolt to secure these.

3. If you will be using a camera, put the camera stud up through the camera plate and secure it with the retaining ring using a needle-nose pliers.

4. Slide the collet nut over any Giro ball mount and snap the camera adapter on. Thread the nut over the plastic and snug it up so that your camera/GPS is secure.

WARNING:

This indication alerts you to the fact that ignoring the contents described herein can result in potential serious injury or death if not followed.

CAUTION:

This indication alerts you to the fact that ignoring the contents described herein can or will result in material damage and/or personal injury.

ATTENTION:

This indication alerts you to the fact if you ignore this detail you will affect the performance or functionality of the product.

All Giro products are designed for "easy assembly" and/or "plug and play". We recommend a competent mechanic install our products, using standard mechanical procedures to assure a safe and successful installation.

NOTE:

Giro products are designed and manufactured under very strict quality control. Giro products are warranted to be free of defects in material and workmanship for 1 (one) year from date of purchase by the consumer.

Giro will have no obligation if the customer cannot show proof of purchase.

Warranty will not be granted unless the part is properly installed and maintained.

Giro will not be liable for any consequential and incidental damages, including labor, or non-Giro products.
