Softail Seat Installation:

- 1) Place one fender washer (4.5mm thick) on each fender stud. Do not remove plastic stud retainer.
- 2) Install the "Y" bracket onto the rear fender. Center rear mounting stud on "Y" bracket over fender before tightening lock nuts. Use provided washers between "Y" bracket and lock nuts.
- 3) Mount seat to the bike. Center the rear mounting tab over stud on the "Y" bracket.
- 4) Use slotted mounting nut to attach seat to "Y" bracket.
