PART NUMBER:	8910x and 8911x
FITMENT:	Universal

OVERVIEW:

Protect your seat investment! This ATAB Security Screw kit includes a beautiful fender tab cover and a handy keyring-mounted Torx security tool for easy installation. Recommended for all Saddlemen seats for Harley-Davidson® or Indian® motorcycles, that mount with a single rear fender screw.

CONTENTS / PARTS INCLUDED:

1- Fender Tab Cover 1- Stainless Torx Security Screw 1/4-20 x 1" 1- Keychain Torx Security Screw Tool

IMPORTANT:

Please read these instructions completely before starting installation. All "NOTE," "CAUTION" and "WARNING" notations are serious safety issues and should be read carefully. Possible injury to riders or damage to the motorcycle and/or accessory may result if improperly installed.

NOTICE TO DEALERS:

These instructions contain important information for future reference and should be given to the customer.

CAUTION:

It is your responsibility to make sure the seat installation does not create an unsafe or illegal situation. Remember that this seat and security screw is a custom accessory. It is your responsibility to check the installation to determine if it will be safe for you to operate the motorcycle and to properly and safely carry a passenger (this includes reinstalling the passenger grab strap or installing a suitable replacement). You must also ensure that the installation does not damage your vehicle in any way.

After 50 miles (80 kilometers), recheck the seat's mounting to make sure it is still secure. Inspect all of your accessories and related hardware before and during each ride. An improperly mounted seat can interfere with the vehicle's operation and cause an unsafe riding condition.
