

The THRASHIN Mission Duffle Bag (TMB-0000) was designed with idea that you could hit the road for a few days, or a few weeks, knowing you have everything you need for the adventure ahead.

Don't let the weather scare you from leaving the house, The Mission Bag includes our 100% waterproof cover that easily fits over your bag and sissy bar, allowing you to head confidently into the storm! The Mission Duffle Bag also features a Dirty Clothes Divider (DCD), separating the clean from the worn, keeping your clothes fresh for the rest of your trip or until you hit a laundry mat.

The Mission Bag has multiple large openings to easily access your belongings - the main top YKK Zipper allows quick access while the bag is laying down, while the top loading opening makes it nice to get to your favourite jacket or rain gear out without having to ever detach it from your bike. With several points of strapping location, including the two 1.5" buckle straps, six D-Rings, and MOLLE webbing on the bag, you can securely attach the bag where you want it.

This bag is made with the highest-level materials and accessories including YKK zippers, 1680 Ballistic Nylon, and 100% waterproof welded seam cover(included), this is sure to be the bag for your next Mission.
